

## Building Permits & Inspections

Building permits can be obtained at the City of Crossville Codes Department located at 236 Miller Ave. Monday thru Friday between the hours of 7:30 AM – 11:30AM. Building Permit applications can be found @ [crossvilletn.gov](http://crossvilletn.gov).

Inspection request made between the hours of 7:30AM -8:30AM will be preformed that day (footer inspections only may requests an afternoon inspection). Requests made after that time period will be preformed the next following work day.

All building sites must have the 911 address posted on the property visible to the fronting street.

For further information or to request an inspection, please contact the City of Crossville Codes Department.
