Woody Geisler	John Kinnunen

A quorum being present, the Special Call Session of the Cumberland County Commission was opened in due form of law with Mayor Carey announcing that the Commission would be holding a closed session immediately following the current meeting to receive a legal update from the County Attorney.

At the beginning of the meeting Budget Committee Chairperson, Sonya Rimmer called upon County Attorney Boston to explain the importance of passing the proposed budget in a timely manner. Mr. Boston advised the Board of some changes to legislation that requires the adoption of budgets by county governments to be completed before an August 31st deadline each year. In the event that the budget cannot be completed by that date, the county must make a request to the State Comptroller's office prior to August 15th for a continuation budget through the month of September. Making note that the Mayor had made such a request to the State for an extension and since no response to his request was received in the allotted time period, Mr. Boston said the county could lose its spending authority past August 31st.

Finance Director Brock was asked by Chairman Rimmer to explain how a mistake made on a property assessment would affect funding for the budget. After having been informed by Assessor of Property, David Simcox about a clerical error on an assessed value of a certain commercial property, Mr. Brock made the Board aware the miscalculation would change the net estimated revenue received from current property taxes.

1. AGENDA ORDER:

Commissioner Rimmer moved to change the order of the August 24, 2015 agenda by placing resolution 08-24-2015-1 as the last item to be considered. Commissioner Claflin seconded the motion.

When no one offered to adopt resolution 08-24-2015-2, Commissioner Foster moved the resolution be tabled and the local funding requirement for the Board of Education (BOE) be set at the minimum until further action from the school board. The motion was seconded by Commissioner Gibson. Commissioner Hyder stated that the BOE had already received monies from the county in the past that had been designated for text book purchases.

The motion to adopt resolution 08-24-2015-3, that Cumberland County's Maintenance of Effort obligations should not be increased due to the Board of Education receipts of past due liquor-by-the-drink payments from the City of Crossville, carried by a roll call vote of 18 ayes from the Commission.

4. RESOLUTION 08-24-2015-4-AN AMENDED RESOLUTION FOR 08-2015-6 TO APPROVE REVISIONS TO THE EXISTING WAGE SCALE FOR CUMBERLAND COUNTY GOVERNMENT EMPLOYEES:

Commissioner Rimmer moved to approve the resolution but wished to add an amendment to set a deadline for completion of a wage scale study and to freeze the wage scale if it is found that an employee is over paid. The amendment and the resolution were seconded by Commissioner Dyer. The last two paragraphs of the resolution are revised to read:

BE IT FURTHER Resolved that the Cumberland County Budget Committee shall establish and direct a committee to conduct a study regarding the current wage scale, comparable wages, and report their findings to the Budget Committee by February of 2016.

BE IT FURTHER Resolved if the Wage Scale study shows county employees pay exceeds their step on the pay scale, the employees pay raise shall be frozen until the employees pay reaches the applicable place on the Wage Scale.

Commissioners Gibson, Carter, Farley, Turner, and Claflin declared a conflict of interest before voting on the wage scale resolution but avowed to vote on behalf of their constituents.

Commissioner Hassler moved to adopt resolution 08-24-2015-6 with Commissioner Hyder seconding his motion. After some Commissioners explained their reasons for not supporting the resolution and other Commissioners made know they endorsed the employee benefit for retirees, Commissioner Foster moved the resolution be tabled citing Tennessee Code Annotated 5-23 that specifies how county government policies are created and modified and suggested the Board should follow the proper legal process when making personnel policy changes. The motion to table the resolution was seconded by Commissioner Claflin.

The motion to table resolution 08-24-2015-6 carried by a roll call vote of 18 from the Commission.

7. RESOLUTION 08-24-2015-7-MAKING APPROPRIATIONS FOR THE VARIOUS FUNDS, DEPARTMENTS, INSTITUTIONS, OFFICES AND AGENCIES OF CUMBERLAND COUNTY, TENNESSEE, FOR THE YEAR BEGINNING JULY 1, 2015 AND ENDING JUNE 30, 2016:

On motion of Commissioner Rimmer, second by Commissioner Foster, moved to adopt resolution 08-24-2015-7.

Finance Director Brock clarified that based on the earlier actions of the Commission on this night; the adjusted numbers would directly affect the budget. 8. TABLE RESOLUTION 08-24-2015-7:

Commissioner Hassler stated that with so many variables to the resolution, he moved to table resolution 08-24-2015-7 until such time more information is provided that would allow Commissioners the chance to re-examination the proposed budget. The motion to table the resolution was seconded by Commissioner Isham but failed with a roll call vote of thirteen nays from Commissioners Dyer, Scarbrough, Stone, Foster, Gibson, Davis, Carter, Farley, Turner, Claflin, Rimmer, Geisler, and Kinnunen. Commissioners Hyder, Isham, Hassler, Lowe, and Wilson were in favor of tabling the resolution.

Commissioners Scarbrough, Hyder, Gibson, Carter, Farley, Turner, and Claflin declared a conflict of interest before their vote on the appropriations resolution but avowed to vote on behalf of their constituents.

The original motion to adopt resolution 08-24-2015-7 carried with Commissioners Dyer, Scarbrough, Stone, Foster, Gibson, Farley, Turner, Claflin, Rimmer, Geisler, and Kinnunen voting to approve the resolution making appropriations for the various funds, departments, institutions, officies and agencies for the fiscal year beginning July 1, 2015 and ending June 30, 2016. Commissioners Hyder, Isham, Hassler, Davis, Lowe, Carter, and Wilson voted against the adoption of the resolution.

Because of a tie vote of nine (9) ayes and nine (9) nays, the County Mayor, as Commission Chairman was called upon to cast the deciding vote. Mayor Carey's vote was to not approve the resolution as offered and the motion failed.

10. RECESS AUGUST 24, 2015 SPECIAL CALL SESSION:

After a lengthy discussion among the members of the Board about funding the budget with the current tax rate or imposing a property tax increase, Commissioner Hassler moved to recess the current meeting and reconvene the next day on August 25, 2015 at 6:00 o'clock P.M. to allow time for the Finance Director to prepare a new budget document for review. Before continuing the meeting, Commissioner Rimmer made the Board aware that damage resulting from the February 2015 ice storm could potentially cost the county upwards of a million dollars this year.

COMMENTS:

Throughout the meeting several citizens were allowed to address the Board to make statements or express their concerns. Mr. Ray Darby suggested a tax freeze for senior citizens and Butch Smith and Johnny Presley, Jr. encouraged the Commission to reconsider a tax increase at this time and explore other streams of revenue for the county. The Board was also advised by Gerald Stevenson to continue working through the night, if necessary, to come to an agreement on the budget.

Commissioner Farley seconded the motion. Finance Director Brock affirmed the since the Debt Service Fund is Cumberland County's healthiest fund, a decrease in that fund for one year should not change the county's bond or credit rating.

The motion to set the General Fund tax rate at \$0.6150, the General Purpose School Fund tax rate at \$0.6250, the Solid Waste/Sanitation Fund tax rate at \$0.1125 and the General Debt Service Fund tax rate \$0.1950 for a combined property tax rate of \$1.5275 carried with a roll call vote of thirteen ayes from Commissioners Dyer, Scarbrough, Stone, Foster, Gibson, Carter, Wilson, Farley, Turner, Claflin, Rimmer, Geisler, and Kinnunen. Important Points

- The BVD is not intended to apply to alterations or repairs to existing buildings. Because the scope of alterations or repairs to an existing building varies so greatly, the Square Foot Construction Costs table does not reflect accurate values for that purpose. However, the Square Foot Construction Costs table can be used to determine the cost of an addition that is basically a stand-alone building which happens to be attached to an existing building. In the case of such additions, the only alterations to the existing building would involve the attachment of the addition to the existing building and the openings between the addition and the existing building.
- For purposes of establishing the Permit Fee Multiplier, the estimated total annual construction value for a given time period (1 year) is the sum of each building's value (Gross Area x Square Foot Construction Cost) for that time period (e.g., 1 year).
- The Square Foot Construction Cost does not include the price of the land on which the building is built. The Square Foot Construction Cost takes into account everything from foundation work to the roof structure and coverings but does not include the price of the land. The cost of the land does not affect the cost of related code enforcement activities and is not included in the Square Foot Construction Cost.
